December 2019

Hospitality - Co-Chairs: Christine Rooney/ Gina Anderson

- Our next event will be a charging cart on the 19th.
- We'd like to look into ordering mechanical pencils instead of the brag sticks. They were not a hit with the kids at the last honor roll award day.
- our previous events went well. We provided coffee for the principal chat and the BAC dinner went very well. We used City BBQ to cater the event and made salad and dessert from costco.
